

LORDS MEADE VOCATIONAL COLLEGE

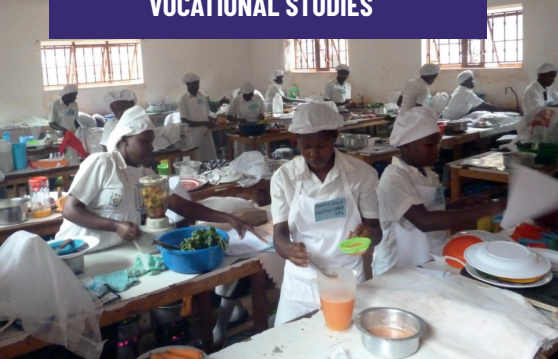

Reach High
Through Hard Work

Lords Meade Vocational College is a mixed "O" and "A" Level day and boarding comprehensive secondary school established in 2002 with a vision of becoming an outstanding Academic and Vocational training provider in East Africa.

We offer both "O" and "A" level subjects including Kiswahili, Computer, Entrepreneurship, Agriculture and Physical Education etc.

VOCATIONAL STUDIES

INTERNATIONAL LINKS AND SPONSORSHIP

OUR VISION

An outstanding education and vocational training provider in East Africa.

AND MISSION

To excel in meeting the needs of students in Uganda and East Africa through effective teaching, learning and development of skills.

ACADEMICS AND CURRICULUM

The College offers a **double** curriculum namely **Academic** for all Science & Arts subjects and **Technical Skills** which includes Hotel Management & Institutional Catering, Tailoring & Fashion design, Bricklaying & Concrete Practice & Carpentry and Joinery, Building Construction, Computer Studies/ICT, Wood Work, Plumbing, Electrical Installation, Welding & Metal Fabrication, Motor vehicle mechanics and Hairdressing & Cosmetology.

Current sponsors of Lords Meade Vocational College include **TOFTA Education Trust Uganda**, New Life Ministries, MAP, Rock of Ages, Love Child, Zerubabel Foundation, Soul Foundation among others. The number of vulnerable children has more than doubled in the face of Covid-19 especially for the girl child with early pregnancy.

For only **US\$852** a year, you can support a child.

To donate follow: www.lordsmeade.org/donation.html

You can also donate **vocational equipment** to the college.

Over the years **ROTARY** has also support programs on water, sanitation, Health and environment.

FARNFIELD MEDICAL CENTRE

Lords Meade Vocational College has a medical centre with a capacity of 40 beds, a medical laboratory including clinical chemistry, immunology, haematology and microscopy section. **The Farnfield Medical Centre** also serves the community of Njeru.

The College is situated on 30 acres, and has very conducive and well equipped classes, dormitories, laboratories, library, workshops and a fully equipped medical centre. It has a well-equipped computer room, as well as playing fields for outdoor games. There is a **demonstration farm** where the students are actively involved in farming activities. The College is also connected to the internet, mains electricity and water. There is a stand-by generator for mains power cuts.

CO-CURRICULAR ACTIVITIES

Sports and Games are part of the main curriculum activities. Athletics, Football, Netball, Volleyball, Hockey, Cricket, Tennis and Baseball. Music, Dance & Drama is also a competitive activity.
